WHAT TEACHERS ARE SAYING

"Teaching middle school students about money is always challenging! When I found the MoneySKILL program, it simplified EVERYTHING! My students love it and I love the ease of the grading and lessons. Thank you!"

Meg Stewart, M.Ed.
Instructor
Purvis Middle School
Purvis, Mississippi

"MoneySKILL prepares students to make adult decisions. Even better, the materials treat them like adults. Too often personal finance curriculum seems more appropriate for middle schoolers, causing my high school seniors to lose interest."

Linda Smith
Economics Teacher
Rockwall High School
Rockwall, Texas

"MoneySKILL takes a vast amount of information and divides it compactly into manageable chunks. The students learn the basics across a wide variety of personal finance topics."

Kelly H. Markson, Ph.D.
Economics Professor
Wake Technical Community College
Raleigh, North Carolina
