"I've been using MoneySKILL in my classroom for over ten years, and it continues to be an outstanding resource. It's flexible enough to be used as a primary teaching tool or as a review after covering a unit. It's also a great option for substitute plans—students can stay engaged and productive in your absence."

Randy Clark
Business Education Teacher
Kershaw County, South Carolina

* Based on an evaluation of aggregate data for 102,279 students completing MoneySKILL between 2014 and 2022 by Dr. Carly Urban (Evaluating MoneySKILL®: Effects on financial knowledge, short-run financial behaviors, and long-run financial behaviors impact evaluation, 2023).
